IN MEMORIAM

To the late Glen Smith we wish to dedicate this 1958 edition of the ECHOES.

Mr. Smith graduated from Carmel High School and Earlham College. His graduate work was taken at Ball State Teachers College, Butler University, and Northwestern University.

His first five years of teaching were spent at the Jefferson Twp. School in Dresden, Ohio. The next ten years Mr. Smith was coach at Converse High School in Converse, Indiana. He was the originator of the Converse Relays. The present officials of the relays have set up a scholarship fund as a memorial to Mr. Smith for any boy participating in the relays contributing points for his team and showing good sportsmanship qualities.

During the summer Mr. Sm[illegible] of the Quaker Haven summer camp. He and his wife made their home at Quaker Haven when [illegible] post of teaching at Pierceton. Here he taught American history, government, and psychology. In [illegible] his regular classroom schedule, Mr. Smith, served as advisor to the editorial staff of the ECHOES.

All Pierceton High students who attended the last pep session of the basketball season will never forget the enthusiasm he aroused in the student body when all the chips were down.

FROM THE PRINCIPAL

As the number of students grows steadily larger the problems of scheduling, providing more teachers, more classrooms, and more equipment become greater and greater each year.

Our school board moves quietly and steadily forward and has made many improvements in our building and facilities during the past few years.

Within the school program itself a continuous effort is being made to enrich and enlarge our curricular offerings and at the same time to maintain our fine activity program.

The excellent overall cooperation which has been shown by those directly concerned has done much to help and I am sure will continue to help our school organization to further progress.

SENIORS

Miss Yontz, sponsor; Brent Widman, treasurer; Kay Leifer, vice-president; Jack Warner, president; Cynthia Wilson, secretary; Mr. Stouffer, sponsor.

The senior class of 1958 began the year by electing the class officers who would lead them through the year. They were President, Jack Warner; Vice-President, Kay Leifer; Secretary, Cynthia Wilson; and Treasurer, Brent Widman.

There were many hi-lites of the year and all were memorable times for the seniors.

"Seventeenth Summer" was chosen for the senior play, and the date was set for October 18, but because of the flu epidemic the date had to be changed to November 1.

The class selected Robert's Studio of Fort Wayne to take their senior pictures. The big day was October 23, and the girls wore black drapes and the boys wore suits. The class voted to put a colored composite with the class pictures and the pictures of the class sponsors, Miss Yontz and Mr. Stouffer, in the hall.

Two money making projects were sponsored by the class of 1958. First on January 18 at the Sidney basketball game they had a cake raffle. Then on March 15 they had a WOWO record hop in the gym, and Jack Underwood was the disc-jockey. Both projects brought profits which helped toward the senior trip.

Finally May 11-16 the goal which had been a dream for four years was a reality - the senior trip. The seniors left Warsaw Sunday evening by train for Washington D.C. Then Tuesday evening they left the nation's capital and went to New York. After sightseeing, shopping, and various other activities, the seniors returned home Friday afternoon, tired and penniless, but happy.

The Baccaulaurate Service was Sunday, May 18, in the gym. The speaker was Rev. George Talbert from the Baptist Church.

Commencement May 22, was the climax of twelve years for the Class of 1958. Dressed in silver-grey caps and gowns with red tassels the seniors marched through an honor guard formed by the juniors. Then the class presented their own Commencement services as has been the custom for several years. Mr. Stouffer presented the diplomas then the class marched through the honor guard for the last time.

CLASS PROPHECY

Here are some news items gleaned from the Pierceton Student. The date is May 23, 1988. This is a special issue dedicated to the Class of 1958.

In the ad column I read that B & B Home for the Aged was looking for more customers, particularly men. Alice Buntain and Marlene Bennett are the two managers.

How about this personal? "Lonely bachelor wishes to correspond with widow. Prefer one under thirty. If she is rich age doesn't matter. Write Allen Regenos." Get this! In the situations wanted: "Unemployed genius wishes any job with big pay and short hours. Call Phyllis Williamson after 11:11 A.M."

While looking on the sport page I saw where Arden Leiter and Margaret Leslie are going to be on the Olympic team for the second time. Margaret holds the world's record for putting the shot sixty feet and Arden has entered in the decathlon.

Judy Lee, glamorous lady wrestler, accused her opponent of deliberately stepping on her corn, while Jack Horn, ex-high school baseball star, has been arrested for beaning the umpire with a pop bottle. That's our boy. He's some pitcher.

Dick Cole, has won fame as the County Croquet Champion. He hasn't changed a bit. Speaking of champions, Richard Rosbrough won the champion heavy weight wrestling match last night.

But not all of the classmates were sports-minded. Some chose other professions. Remember Max Jones? He was an excellent shot putter for Pierceton's track team. That must be how he got the muscle to carry all those trash barrels around. And Virginia Burke! Remember how much she weighed? She married the butcher you know, and she must have gained one hundred pounds since graduation. Oh yes, there is Larry Farrara, now a milkman in New York. You'd never know him now. He had hair when he was in school.

During Danny Christoffel's High School years, he began to lose his hair. But now he has saved his scalp, for he has invented a new hair tonic that will grow hair. Thanks to Danny, Cynthia Wilson can come out of her closet. Although the hair tonic wouldn't work for Cynthia, Danny has made her a wig to match her real hair. Maybe Dan could help Larry also.

Judith Brygider is doing all right driving a taxi cab in Alaska. She spends most of her time driving Bill Conrad to the wild lands of Alaska where he is a missionary.

Don Boggs became tired of the United States and decided to go to China and sell jewels.

Patty Russell married a millionaire and for a hobby she appears on a TV panel show. Brent Widman, the famed President of the Student Council at Pierceton in '58, has lived up to all expectations and made a million dollars also. How he made it is what the D.A. would like to find out. But Brent is not the only one who has become famous. Jack Warner has an important job in Washington. He empties waste baskets in the office of the 5th assistant to the fourth Under-Secretary of State. This job does not include WOMEN, so he is considering moving to Egypt so he can practice bigamy. This way he can keep an eye on all his WOMEN. Beverly Spangle and Sandra Kain are engaged in a profitable business also. Anyone care to reduce?

Charlene Tenney has gone to the top of the movie list. She gave up the job as a model in New York. At present she has taken Marilyn Monroe's place. Jim Ratliff is still working on his invention, a way to can sunlight for use on rainy days.

Roland Bowman and his wife, the former Brenda Johnson, have gained their wealth in a different manner . . . one, two three, four, five, six, seven, eight, nine, -----yes, nine little ones, ponies that is.

Hats off to Jim Busz! He's doing a fine job as chaplain in the Navy. Roger Leedy is now the minister of a New York church. Martin Parker, who is now six feet eleven inches tall, is one of Roger's many ushers.

It seems that Joan Smith and Rex Slusher are having a race to see which one is going to be the first grandparent.

When Kay Leifer graduated, her ambition was to get her MRS. degree. She has now gone through three colleges and six universities. That girl has a strong will power.

Anna Jefferson has changed quite a bit since her High School days. She hasn't been seen since the day that she flew an airplane into the Russian territory.

JUNIORS

Miss Tuttle, sponsor; Lynn Pletcher, president; Jean Roberts, vice-president; Mr. Hall, sponsor; Mary Kilgore, treasurer; Virginia Manuel, secretary.

At the beginning of a very busy year the Juniors elected class officers as follows: Lynn Pletcher, president; Jean Roberts, vice-president; Virginia Manuel, secretary; and Mary Kilgore, treasurer. The vice-president of the Junior year acts as sales manager by ordering merchandise for the junior room. Caroline Conrad and Max Spann were chosen to represent the Junior class in the Student Council. Miss Tuttle and Mr. Hall were the Juniors' sponsors this year.

The first exciting event was the day the Juniors received their class rings.

To start the activity of the year to obtain funds for their senior trip, the Juniors sponsored a sock hop on October 4. They also sold Christmas cards and candy. The class was divided into two teams headed by Jean Roberts and John Kinch. John's losing team provided a chili supper and a dance on February 20 for the winning team.

Janice Blanchard and Roger Miller sold the most cards. Next came the class party, which was a hayride. They went by tractor and wagons to Collamer Dam for a wiener roast and then to a show in South Whitley.

The Juniors sponsored two more sock hops, one on November 22 after the South Whitley game and the other after the Etna Green game on January 3.

Bobbi Jo Leifer, Barbara Slusher, and Pat Camden were nominated by the class for basketball queen candidates. Bobbi Jo was crowned queen at the half of the Mentone game on December 20.

"Papa Was A Preacher" was presented on April 18.

Becky White was chosen to attend Girls State, and Mary Kilgore was the alternate. Lynn Pletcher and Max Spann were chosen to attend Boys State. Roger Miller and Jim Werstler were the alternates.

SOPHOMORES

STANDING: Mr. Reed, Sponsor. SEATED: Bob Stump, Vice-President; Mary Lou Jones, President; Christine Sellers, Secretary-Treasurer.

The sophomore class started their school year off by electing Mary Lou Jones, President; Bob Stump, Vice-President; Christine Sellers, Secretary-Treasurer. Janet Danner and Mike Mosher were chosen to represent the class in Student Council.

This year, in keeping with the tradition of Pierceton High School, the sophomores sold magazine subscriptions to their parents and friends. The class was divided into two teams, with Mary Lou Jones and Bob Stump acting as captains. Mary Lou's team had the highest sales with Mary Lou being high salesman for her team and John Stouffer taking the honor for Bob's team. Mary Lou, high salesman of the class, received a movie projector.

Janet Danner was chosen to represent the class in the Basketball Queen's court.

During March the second semester class party was held in the gymnasium. Games and refreshments were enjoyed by the class and their sponsor, Mr. Reed.

Of course, the most exciting event of the year for the sophomores was the selection of their class rings. The Class of "60" chose a concave style with a P in the center and numerals on the sides.

FRESHMEN

SEATED, Left to Right: Sharon Moe, Vice-President; Jack Keener, President. STANDING: Gene Kinch, President.

October 11 is a day the Freshmen will remember as one of the most important days of their lives, for on this day the "mighty seniors" initiated the Class of "61" into high school.

The girls were dressed in overalls, old shirts, and rubber boots. They carried buckets with ropes attached. Around their necks the Seniors put a necklace of vegetables, thoughtfully sprinkled with garlic.

The boys were dressed in skirts and sweaters and high heeled shoes. Their faces bore the autographs of some of the Seniors. This truly was a memorable day.

The Freshman Class Party was held in February at which refreshments and games were enjoyed.

Patsy Horn represented the class as Basketball queen attendant.

NOTE FROM THE EDITOR

The time spent on the annual is done after school and there are several days work on the annual after school has been dismissed for the summer, before it can be sent to the publisher. The staff has spent many hours on this edition trying to make it just a little bit better than past editions. I wish to thank everyone who cooperated in finishing the annual.

The student council is not a social club. It is an organization of twelve representatives of grades seven through twelve. Each class has two representatives. This organization is a channel through which the student body expresses its opinions to the faculty.

Among the many duties of the council are the election of the cheerleaders and the queen of the basketball season and her attendants.

The student council and their sponsor, Mrs. Kaye-Smith, sponsored an all school party at which ice cream bars and cokes were served.

One of their new projects this year was the purchase of a plaque on which the past and future basketball queens' names will be engraved.

Any interested student is an eligible candidate for student librarian, and ~~any~~ student librarian is automatically a member of the Pierceton High School Library Club.

This club was founded to increase interest and participation in library work, to promote a better and more friendly teacher pupil relationship, to attract good pupil assistants, and to arouse interest in librarianship as a profession.

Once a week the members meet for a very interesting library class in which they learn many things; how to repair books, the names of the parts of a book, how to process a new book, etc.

There is also one meeting a month after school. A business meeting is conducted at this time, a book report is given, and the members enjoy refreshments and games.

In the library, the members of the P.H.L.C. keep the books and magazines in order and slip and shelve the books as they are returned. They also prepare different bulletin boards, which show selections for reading material.

During the year, three special meetings are held. They are a fall picnic, a Christmas party, and a spring picnic.

This year, each member of the club received a library club pin at the Christmas party.

These are some of the parades that they performed in; Memorial Day Parade, Mermaid Festival Parade, Pioneer Day Parade, Republican Rally Parade, County Fair, Firemen's Social, and Halloween Parade. During the winter months, the band marched for the ball games and gave half time shows. The outstanding show of the year was done by combining Etna Green and Pierceton bands.

This year a large percentage of the band members attended either solo or ensemble contest. The whole band went to district contest and received superior rating and to state contest and rated excellent.

The Band Boosters had a penny supper which brought in enough money to send two band members to band camp. Those to attend are Beth Coble and Linden Boggs.

Also included in the band's yearly schedule were the Park Concert, Fall Concert, and Spring Concert. At the Spring Concert the yearly awards were given.

Distinctive Care . . .

WHAT SHOULD a nursing home be? The very phrase is descriptive: the word "nursing" should mean competent, round-the-clock, professional care, while the word "home" implies relaxed and congenial surroundings. At either of the ALFRAN NURSING HOMES, these twin ideals of professional care in a home-like atmosphere become a reality.

Registered nurses and trained personnel are at the patient's service 24 hours a day. Your family doctor is ever welcome. An attractive lounge for visiting, T. V., and religious services adds to the patient's pleasure. Modern equipment includes oxygen and intravenous, together with facilities for occupational and recreational therapy. Private or semi-private accommodations are available at considerate rates. Why not visit one of the ALFRAN NURSING HOMES soon and see for yourself?
